

## Let Nature's Fragrance be a part of your Ambiance !

Sanitz's Aerosol Dispenser is an innovative air freshner that works Automatically to keep rooms and offices fresh and fragrant. It leaves a pleasant aromatic scent all day and contains a smart chip programmed to release a small spray of long lasting fragrance into the room at desired time intervals. Best of all, it is easy to manage with the choice of different time intervals and the light sensor saves time conveniently re-freshening the rooms.
